

∴ **PROFESSIONAL PROFILE**

Bruce is a certified public accountant working in the firm's Tax and Advisory Service practice groups. He brings a wealth of experience to the firm, and his responsibilities include preparation and review of individual, corporate, partnership, trust, gift and estate tax returns. He is also involved with tax planning and projections, financial review and analysis, federal and state income and sales tax audits and special projects.

Prior to joining Krass Monroe, Bruce worked as Tax Manager at Stevens Foster Financial Advisors where he managed the processing and review of more than 300 yearly tax returns, managed the processing of tax projections and reviews, and researched and recommended strategies for tax planning and investment products. Bruce was also the Tax Manager and Controller for a privately held Minnesota corporation with multiple business interests.

Bruce earned a Master of Business Taxation from the University of Minnesota and a Bachelor of Science degree in accounting from St. Cloud State University, St. Cloud, MN.
